If you do not regularly attend a class with Liz, please fill in at least 10 hours of therapy work that you and each of your pets have participated in for the last year. You must have a facility signature or mentor's signature for the hours to count. Each pet has to have at least 10 hours of documented therapy work per year or regularly attend a class with Liz to renew their PUPT Therapy Dog certification. This is to ensure that your pet(s) are continuing their socialization and continue to be eligible to be a therapy dog under current PUPT Therapy Dog Program rules.
